

## QUESTIONS AND ANSWERS ON SILVER CREEK MEMBERSHIP DISTRIBUTIONS

**1. Are split payments allowed (between husband/wife, joint owners, etc. ...)?**

Payments will be made based on Silver Creek's membership records. If the membership is held jointly between two or more owners, the check will be issued to the owners jointly. Unless the membership was legally separated between the owners, we must issue the distribution to the owners in the same form it appears on our books, just like a share of stock that was jointly owned by two or more people.

**2. The account holder died – now what?**

If the member died and a personal representative was appointed by a court, then we will issue payment to the personal representative once we have been given a copy of the death certificate and the order appointing the personal representative. If no estate was opened, then it will be necessary to provide a small estate affidavit in accordance with Indiana law which shows to whom the distributions should be made.

**3. Divorced after – now what?**

The membership distribution will be treated like any other asset. If we are given a court order that says who is entitled to the distribution, we will follow the order. Otherwise, please call our office at 812-246-2889.

**4. Moved off the system after 7/28/23 – now what?**

If we have been provided with a forwarding address, we will send the distribution check to the new address. If not, we will mail a notice and request that we be given a forwarding address. If we cannot locate the member, then we will hold the distribution and it will eventually be paid to the State of Indiana as unclaimed property.

**5. Will I receive separate payments for my membership, credit balance of my account, distributions?**

The final bill, any credit balance on the account, the membership fee, and the first distribution will be combined into a single payment. Any subsequent distributions to eligible members will be paid separately.

**6. How do I get my final payment if I move during 2025?**

Any eligible member who moves during 2025 should send change of address information by First Class U.S. mail to the Silver Creek Water Corporation Liquidating Trust at P O Box 55 Sellersburg IN 47172.

**7. When will I get my final bill from Silver Creek Water (November 2024 Bill)?**

Final bills will not be mailed. They will be withheld from your membership refund and distribution payment.
