

## **Silver Creek Water information as of January 30, 2025**

Important message about tax forms, mis-printed checks,  
and 1<sup>st</sup> & 2<sup>nd</sup> distribution checks.

For customers inquiring about their 1099 tax form for 2024... those were mailed through the postal service on Jan 22, 2025. No forms were emailed, all were sent in paper form.

For customers who received a check, that the legal line mis-printed, and the bank will not honor the check for the amount printed in the box, please return the check to us, either by mail to P O Box 55 \* Sellersburg IN 47172 or drop off at our old office at 8104 County Line and put in our brick mailbox out by the road. It has a sign on it saying that we are using it for Silver Creek Water customers. Once the check is received, we will re-print as soon as possible.

For customers who still have not received their FIRST distribution check, please go to the top of our website and leave a “Contact Us” form at [www.silvercreekwater.org](http://www.silvercreekwater.org) . We will contact you as soon as possible. Please be patient. We still have several thousand customers who have not received their first distribution check.

Please note the second distribution check will be mailed out in December of 2025. More information about this is on our website under “Information Letter to Customers” directly under the yellow W-9 button on our home page.

Indiana American Water is your new water company. Please do not contact them about your distribution check. They are an entirely different company that is not involved in the liquidating of Silver Creek Water or the distribution of funds to customers.

Thank you
